

## Welcome back

---

Welcome back to the start of the Summer Term. I hope that you had an enjoyable Easter break and that the children are looking forward to the term ahead. Please check your child's book bag for this terms curriculum newsletters sharing what your child will be learning this term and ways that you can support their learning at home. If you have any questions about what your child is learning then please speak to your child's class teacher.

## Attendance

---

Well done to all pupils who managed to attend school as regularly as possible last term and to their parents who enabled this to happen. The schools overall attendance percentage up until Spring 2 is 96.3% which is just above the Government goal of 96%. Well done! Attendance badges were awarded to all the children who managed to come to school every day during Term 4 and those children with excellent attendance. This was an amazing 56.% of the school. There are still 2 different coloured badges that can be collected throughout the rest of the year. Children can wear their new badges for the rest of this term on their school jumpers in recognition of their achievement. I would like to offer my congratulations to the following children who came to school every day in Term 4 (PTO).

## Reception Trip to Rookery Farm

Thank you to all parents who have paid for the upcoming trip to Rookery Farm. If you have not already paid then please bring the completed permission form with the money to the school office as soon as possible. Many thanks

## PE Kit

Please make sure that your child has their PE kit in school this term. As the weather improves we will be having PE outside so your child will need to have plimsolls or trainers as well as shorts and tee shirt in their PE bag. Sports morning is on **TUESDAY 23RD MAY** and all children will need to wear their kit to school on this day.

## Big Lottery Fund

As a school we would like to develop the outside play area with more equipment and possibly a track to promote exercise and healthy lifestyles. To enable us to do this we require a substantial amount of money. We would like to gather children's, parents and community members views on what this equipment may look like e.g. a trim trail etc. Children will be bringing home learning and a questionnaire over the coming weeks. We look forward to hearing your views.
